Management Fee

15.00% including VAT (12.50% plus VAT) of the monthly rent

- Collecting and processing rent, preparing landlord statement of accounts and end of year tax income/ deduction statements
- Coordinating repairs, safety certificates and dealing with out of hours emergencies
- Dealing with the day-to-day management of the property including tenant queries, questions and requests
- Carrying out periodic property inspections* and periodic rent reviews
- Ensuring that you and your property remains compliant with current and future lettings legislation

* Periodic property inspections included within the management fee are carried out virtually via an App. Should you require Allen Residential to carry out a physical inspection then there will be an additional charge on a per property basis.
